We do everything possible to make an Annual Fundraiser as easy for you as possible. Here's a "step by step" of how a sale works:

1st – Strategize Your Sale

Sign-up online @ www.annualfundraiser.com

You need to make a few decisions and gather some information:

- **Sale start?** Decide the date your sale will start.
- **Sale end?** Decide the date your sale will end. We recommend that your members have at least 11 days to sell. This would give you two weekends to help boost sales.
- **Delivery date.** Call or email us at **1-800-998-2368 or secanady@gmail.com**. We will help determine your delivery date. Delivery is usually within two - three weeks after the sale end date.
- **Prizes?** Annual Fundraisers offer creative ideas and customized incentives to increase your sales.
- **Kickoff?** Do you need some ideas for a kickoff to motivate and boost sales? If so, let us know by emailing us at secanady@gmail.com.
- **Number of Sellers?** How many individuals are in your organization?

You make more money with Annual Fundraisers!!
